

**DISCOVER THE COASTS OF PELION**

Rent a boat for all days of your holidays or for a smaller time of period. Having a boat in Pelion is giving you the possibility to enjoy and explore the endless sandy beaches.

We will make sure that the type of boat that you choose will wait for you in the harbour of Agios Ioanni. With the boat you have the possibility of visiting a lot of beaches and enjoy the sun and the sea and who knows you may discover your own private beach.

If you do not want to be the captain, our office has an organised service of transport to the beaches with high speed boats in the hour that you want to leave and to return. Also we organise excursions with boats and night tours. It does worth a while to participate in the excursion with speedboat in the caves of Poseidon.

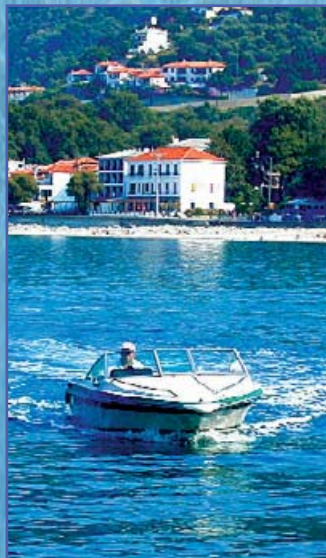

Rent a boat for all days of your holidays and pre-book it with your accommodation. This way you will have a discount which is going to decrease the cost of your holidays.

All the boats are in most excellent situation, provided with full tank of petrol and all lifeguard means
